

Field Visit (Andheri Bisleri Co.)

Field Visit Report

- Date: 20th September 2025
- Venue: Andheri Bisleri Plant
- Number of Students: 21
- College: Shree Sanatan Dharam College of Commerce

The field visit provided students with insights into the manufacturing process, quality control, and operational efficiency of Bisleri. Key takeaways included practical knowledge, industry insights, and the importance of teamwork. The visit bridged the gap between theoretical and practical knowledge, providing valuable learning experiences for students.
