

STUDENT COUNCIL

The Student Council is a representative body of students in an educational institution, designed to give them a voice in the decision-making processes that affect their academic and social experiences. The council serves as a bridge between students and administration, promoting student involvement and leadership.

Objectives :

To represent the interests and concerns of the student body to the administration.

To encourage student involvement in campus and community initiatives.

To improve the overall student experience by organizing events and addressing issues affecting student welfare.

To facilitate effective communication between students and faculty/administration.

Activities

1. Celebration of Festivals
2. Celebration of Days like Chocolate day, Traditional Day, etc
3. Participating in Inter College events
